ダダダダダ...
SUCH A PITY! WE BROKE THROUGH YOUR BARRIER!!!
HEY! YOU TREACHEROUS FOUR-EYED ONMYOUJI! YOU DARE TO LOCK US UP LIKE THAT!!!
...HUH?
You better prepare... yourself...

What seriously happened...?
What's going on? This atmosphere...
...So that's what it is...

Looks like you are the ones we've been searching for!
WHAT?!
THAT KID?!
What's going on?

In other words, we, the onmyouji from Kunimi...
...as well as that dog god guy,
IT'S THE WOLF CLAN! DON'T GROUP US WITH DOGS!
...demon girl,
IT'S VAMPIRE! DON'T CONFUSE ME WITH THOSE LOW-RANKED CREATURES!!!
and possibly others as well,
all gathered here in order to find you!

How come you're not making a ruckus saying "There are werewolves---- ♡" or "There are vampires---- ♡" like you usually do?
I really want to say it but I am holding it in! Because if I make a ruckus now, won't I be a KY"?!
I know that much at least
That's why I have been holding my hand like this...!
Indeed..
But if that's the case, why didn't you say it when it happened to me!?
It's absurd that you don't want to be a KY!
Oh, are you flattering?

T/N KY MEANS SOMEONE WHO CAN'T READ THE ATMOSPHERE.

Sixteen years ago, the Kunimi maidens had a divine revelation.
"A great power has descended to the other side.
If one shall find and bring it into the Kunimi clan, they shall receive noble blessings."
After hearing the prophecy, the Kunimi clan used all their efforts to look for it.
But the location was unknown so we could not find it. No matter how much divination we used, it was an unfruitful search.
And just when everyone thought that the god's prophecy was wrong,
all of a sudden, that power's presence was felt.

...Which was four months ago.
...Four months ago!
...Eh?
If it's four months ago...
But it was just for a moment, so we could only find a general location.
Until now, we've wasted so much time searching.
Incidentally, Masaki is also one of the fellow searchers.
Although it is understandable that he mistook someone else as the suspicious one.
That mistake can only be made by someone worthless.
worthless
Our situation is very similar.

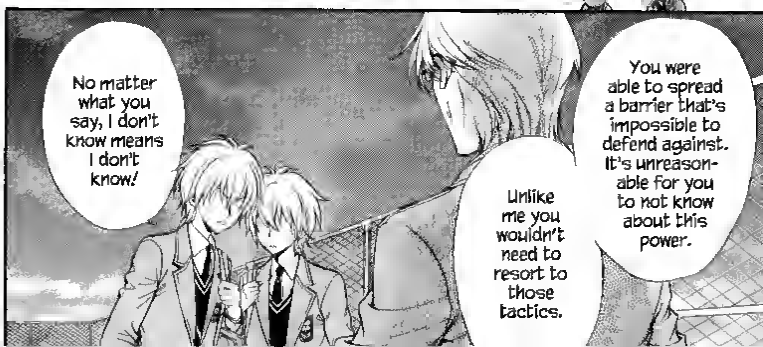
Six-teen years ago,
the one with outstanding fore-sight felt that something with the power to control our clan had descended.
Ever since then, we persistently searched for it unsuccessfully. That is, until four months ago...
We suddenly felt the aura for an instant.
We followed that aura and came to this school. I joined since my age fits the school require-ments...
It was the same for us.
Our clan leander, Otou-sama, sensed his aura and value,
and thus ordered us to search for it.
And then four months ago, in this eastern land, that aura become concentrated for a sudden moment.
Because I am in charge of this area, I came to investigate.

This is how the situation is.
I originally thought of monopolizing it all for the Kunimi clan,
but it was all for nought, they unexpectedly broke through my barrier.
OBVIOUSLY!!!!
HOW COULD WE LET YOU STEAL IT?!
Then may I ask?
Overall, to be able to bring grace to my clan or his,
Can you tell me what kind of power that is?
We're searching for it for similar reasons, yet we are all of different natures,
so different that we can't even stand each other.
How could this "graced power" that we're all after work for all of us despite the differences? I'm a little suspicious, so I want to confirm it first.
Listening to him say that, it's actually pretty true...
We've always just been searching for this "power", completely oblivious to what it is...

Okay, please tell us.
Right, the option to "keep silent" is unavailable.
As a reminder, don't forget that it's not only me here but them as well. They won't allow you carry out your intentions.
You said you were looking for the "graced power",
and want to know about it, right?
Correct,
it would be beyond our means to discuss it if we don't understand it.
Then let me tell you...
...about this "graced power"...
Sou...

I have no clue!
Whoa! What are you talking about, Sou?!
The atmosphere froze
Insensitive... Totally insensitive! K...KY... A guy who can't even read the atmosphere...

Would you please stop joking around?
HEY! ALTHOUGH WE SAID YOU CAN'T KEEP SILENT, 'I HAVE NO CLUE' ISN'T AN ACCEPTABLE ANSWER---!!!
What are you thinking?!
You retard
DON'T THINK 'I HAVE NO CLUE' CAN SATISFY THE 16 YEARS OF TEARS SWEAT AND EFFORT---!!!
That's expected
Aahh... See they slipped



No matter what you say, I don't know means I don't know!
Unlike me you wouldn't need to resort to those tactics.
You were able to spread a barrier that's impossible to defend against. It's unreasonable for you to not know about this power.

Then, how do you explain that power from before?
My power is obviously supernatural.
フンッ
Supernatural powers...
Supernatural powers...!!!
Wait... You just said "obviously"... Who would describe their supernatural powers as something so common using "obviously"...?
Not to mention a power of that caliber...
ハァハァ
ハァハァ

Such as a flying basketball or a spinning top?
Your power moved a still person before. Can it also move a moving object?
It can.
What about stopping blood from flowing or assisting the functions of organs?
Can it influence living things?
I have no control over that.
Kitano...isn't standing out right now considered KY...?
Okay, okay!
Sou, can I ask you something?
K-Kitano
You said supernatural powers, referring to the PSYCHOKINESIS from before, right?
Right.

T/N: THE AUTHOR DEFINED APORT(S) AS MOVING A DISTANT OBJECT TO ONE'S HANDS

Is that so?
I get it!
For Sui, it's a tiny bit similar to TELEPATHY
Then how about things like PRECOGNITION, CLAIRVOYANCE, PSYCHOMETRY, and TELEPATHY?
Can't do that.
Then can you do other forms of APORTS like teleport?
Parents are occult maniac
Occult Member
Don't use specialized terminologies.

Although I'm not too familiar with the what kind of power is the "graced power" that you're looking for,
the characteristics of the power don't really fit, so I don't think he's the one you're looking for.
Sou's supernatural powers is not a perception type like ESP, but a motion-strengthened version of PK (PSYCHO-KINESIS)
Then...
くるっ
Since we're on the topic, if you want to learn more about PSYCHOKINESIS, I can go into more details.
PK (PSYCHOKINESIS) splits into three big categories, Sou is...
KITANO, STOP!!!
Enough!
Saying anything more will reveal more that I'm a KY! Just stop it!!!
Hmm mmm...

I'm not what you've been searching for!
It's just as he said!
Although I have supernatural powers, it's only a coincidence that we met.
What ...?! Isn't everything the same as before?!
So it's like this!
Sigh... I was looking forward to this. It's making me so tired now...
Please wait a second.

This one over here, do you have any powers?
Eh...
You're right! Since Sou and Sui are twins!
It's not weird if they have similar powers!
Sui, do you have any powers?
WAIT! WHAT KIND OF POWERS DO YOU HAVE?!
DON'T LIE! I CAN TELL IF YOU'RE LYING!

About that...
Sorry, but I can't satisfy your anticipation...
I don't have that kind of power at all...
Somehow... Sorry about that.
In other words, the conclusion is that Sou and Sui have no connection with these people's investigation?
Yeah!
Yes, completely unrelated!
No matter if it's supernatural powers or height... Sou already took my share... It has to be like that...
How could that be?!
That's why even though we're twins I seem to be weaker.
は！
It's so different.
You're one to talk... Don't use powers and height in the same comparison, Sui...
If... Then...
From the start again...
Seriously, getting us all exited..
Has not lying
ばっ

JUST A HUMAN. YET ACTING HIGH AND MIGHTY AND MAKING DECISIONS! YOU FAT PIG!
So that's that, but can those people over there accept that?
キッ
Nobody has called me that in years.
Wow.
Fat pig...
ガラッ
AH~ I'M IN A BAD MOOD! I'M GOING BACK!
YOU WITCH. LEAVE AFTER YOU APOLOGIZE!!!
ピシャッ
SHUT UP! WHAT'S WRONG WITH CALLING A PIG A PIG?! I REALLY HATE UGLY THINGS!!!
THERE'S NO NEED TO BE CALLED A PIG! YOU SAY OTHERS ARE FAT PIGS BUT IT'S YOUR PERSONALITY THAT'S LIKE ONE!
Just because you're a little cute doesn't mean you can say what you want. You're saying such mean things...
コルァー
DO YOU KNOW WHAT A FAT PIG IS?! ALTHOUGH KITANO'S FIGURE IS A LITTLE CHUBBY
K-Kunimi... Enough about pigs...

Eh?
This treacherous onmyouji, coming up with a crafty plan again?
Sigh-
Sorr-ishly
Since it was a false alarm, I'm taking off too...
Okay then.
On the other hand, it doesn't look like he's lying....
He doesn't look like he's capable of doing so...
Indeed...
Even though it looks like he's staying in this school by choice, it's too much of a coincidence that we almost met the power we were looking for. However, it'll be hard to avoid the person who's behind this...

Enough for today...?
Yeah. That's enough for today.
You're leaving?
Eh?
ぱたん・・・

It's because they were so happy to find the thing they've been searching with such much effort for so long, but it turned out they have to start all over again!
So they have to take it out on someone... It must be like that! There's no other explanation...
SERIOUSLY! I CAN'T BELIEVE THAT BLOOD-SUCKER HAS THAT KIND OF PERSONALITY!
Okay, okay!
Don't be so mad, us
It doesn't matter if you're mad or not. If Kitano doesn't mind, then isn't it okay?
YOU'RE TOO LOUD, KUNIMI!
WHAT DO YOU MEAN NO OTHER---?! YOU'VE BEEN USED TO TAKE OUT ANGER! BESIDES KITANO HAS NO REASON TO BE YELLED AT---!!!
Then why aren't you mad?!
Even if you say so
K-Kunimi, calm down!
.....
Kitano, you really don't mind?
Yup, I really don't care.

The Captured Prey
Were-wolf
Onmyouji
Is that so...?
Vampire
Supernatural Being
Haha...
Because I've always been unable to find the thing I've been searching for so long.
but now all of a sudden, I've seen so many of the things I've been looking for!♡
It didn't just astonish me, it even opened my eyes about the world!
I have a feeling that after today, there will be even more exciting events happening! I'm so looking forward to it---
Don't be like that... Kitano...
Your words are like a curse, it's scary...

WHAT?!
I said, I want to join the Occult Study Club.
YOU SEE. THAT'S WHY I SAID YOUR WORDS ARE HORRIFYING! NOW WHAT DO WE DO?
Oh, my... Our membership is increasing~
ARE YOU STUPID?!
Eeh~
Can't do this at Kumm
Long time no see, Yuuri. I'll be your guardian from now on~
